PROFILE

Motion designer and 3D artist with 10 years of experience creating animation, visual effects, and campaign content for brands, agencies, and government communications. Work spans broadcast, social media, and live events.

EXPERIENCE

2025–Present

MCIT

Embedded team

3D Motion Graphics Artist

- Create 2D/3D motion graphics and visual assets for social media and marketing campaigns.
- Produce event animation packages for summits and conferences: openers, lower thirds, transitions, and stage backdrops.

2023–2025

60 degrees

3D Motion Graphics Artist

- Led end-to-end 3D motion design and visual effects for brand campaigns across social and broadcast platforms.
- Integrated AI-assisted asset creation and video enhancement into production workflows.

2021–2023

Freelance

3D Motion Graphics Artist

- Delivered custom 3D assets, animation, and motion design for corporate clients and agency partners.
- Managed concurrent projects within agency budgets and delivery schedules.

2019–2021

Casabouge

3D Motion Graphics Artist

- Created architectural visualizations and realistic 3D renders, alongside video assets for social campaigns.

2018–2019

Smart Studio

3D Motion Graphics Artist

- Produced commercial motion design and 3D animation, including camera tracking and 3D compositing.

2016–2018

Wikreate

Motion Graphics Artist

- Translated client briefs and story direction into motion graphics and animated typography.
